MALS-41/FRC WEST

MALS-41

Two commands were combined to develop one highly effective and capable unit to fill manning shortfalls and better serve the local squadrons and the NAE.

A Memorandum of Understanding (MOU) was established that delineates and provides guidelines governing the individual, operational and administrative relationship between the Fleet Readiness Center West, Fort Worth (FRCW, FW), and Marine Aviation Logistics Squadron (MALS)-41.

Combined Relationship

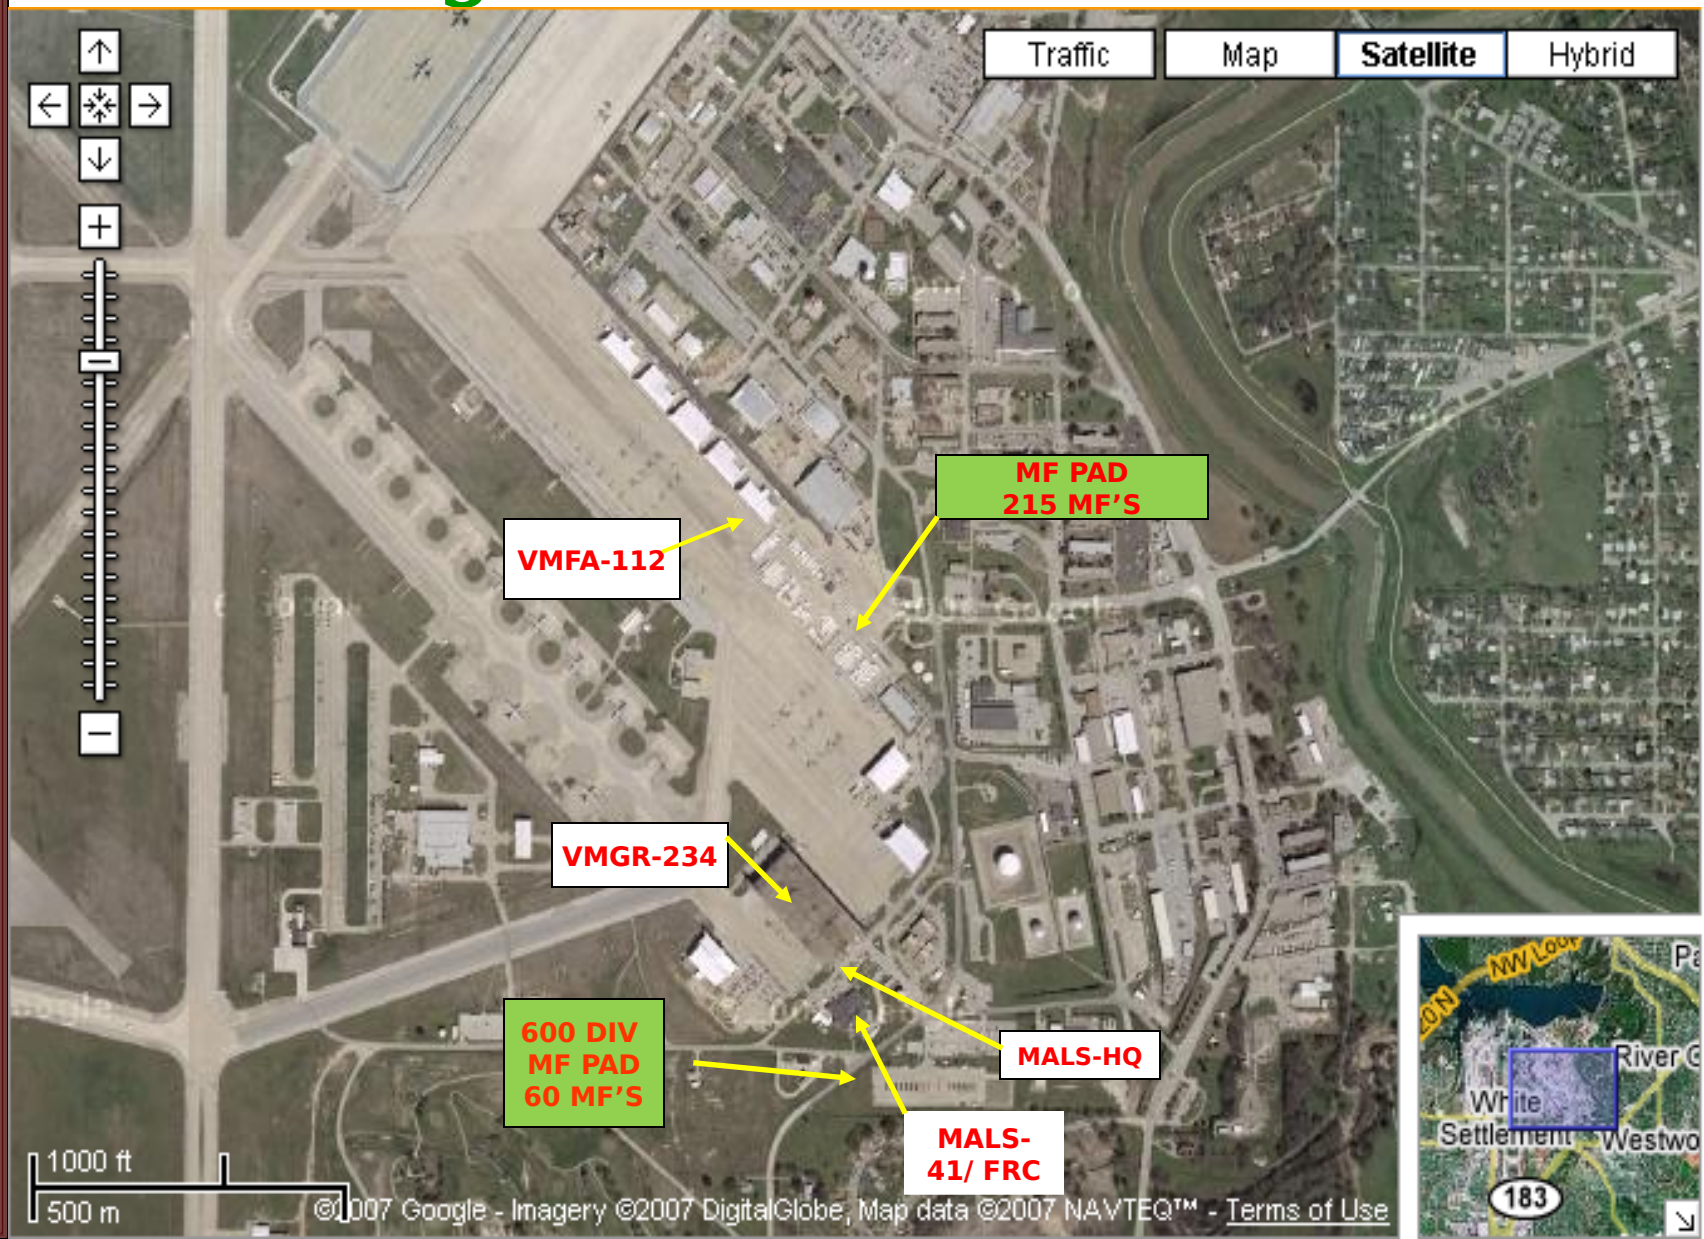
Mobile Facility Coordinator
GySgt Cogar

NAS JRB FORT WORTH

M A L S - 4 1



MALS-41

Mission

The objective of the Mobile Facility program is to provide Marine Forces (MARFOR) with deployable, environmentally controlled shelters for maintenance support of aircraft operations.

MALS-41 Mobile Facility Program

- MALS-41 currently maintains 275 MF's, 24 TQG's, 13 MMG's and various ancillary support equipment.
- 2009 TBA required 291 MF's
- 2011 TBA reduced requirement to 192 MF's
- Currently have an excess of 83 MF's based on 2011 TBA requirements.

MALS-41

MALS-41 Mobile Facility Program

- Personnel (E-5 and below active and active reserve)
  *106
- Excess allowance based on 2011 TBA
  *83 MF's
- Manpower expended on scheduled maintenance of excess MF's
  *5685.5 Man-hours

MALS-41

GOALS

1. Align O/H quantity of MF's with 2011 TBA.

2. Establish and staff manpower requirements ISO MF Program. (Current W/C 990 T/O with all line numbers as reservists unrealistic to support mission requirements.)
